

Southwell Baptist Church Health and Safety Policy

General Statement of Intent

It is our intention to take all reasonable practical measures:

- to control the health and safety risks associated within the church premises
- to provide and maintain safe church premises, equipment and a healthy environment
- to ensure safe handling, use and storage of hazardous substances
- to provide congregation and employees with sufficient information, instruction and training to enable them to work and use the facilities safely and to prevent accidents
- to keep congregation and employees informed about issues that will affect or improve their health and safety
- to provide congregation and employees with adequate supervision to ensure they are competent to carry out their duties
- to review this policy whenever our activities change and at regular intervals.
